

Incumbent Board members paid out “golden parachutes” with YOUR TAX DOLLARS! Here’s the TRUTH they want you to forget...

- **April 2006:** Incumbents Houser and Taylor get on Board.
- **May 2006:** Board hires Dr. Donahue as Assistant Superintendent with **NEW** contract effective on 7/1/06.
- **January 2007:** Board opens Superintendent Dr. McMahon’s contract **AGAIN** to change terms. **Houser says in Asbury Park Press (1/26/07)** that **ANOTHER** new contract is a, “step in the right direction.” Barnegat resident says the new contract is, “more smoke and mirrors.”
- **April 2008:** Incumbent Adorno gets on Board.
- **July 2008:** Administrators begin to resign.
- **December 2008:** Superintendent resigns and Assistant Superintendent notifies Board he will retire.
- **December 2008:** Board President Robert Houser **BRAGS** that **HE** somehow saved money by paying the Superintendent’s **\$117,000** parachute and Assistant Superintendent’s **\$54,000** parachute. (Board minutes, 12/9/08, page 13, at BarnegatSchools.com.)
- **March 2009:** Houser, Taylor, and Adorno **claim** in campaign flyers and ads they had nothing to do with these buyouts or contracts. **Come on! Do they really think we’re all that stupid!**

Don’t be fooled by incumbents Houser, Taylor, and Adorno. They will try to say they didn’t make these payoffs, BUT the PROOF is ON RECORD!

Their credibility is so bad that the Asbury Park Press **WARNED** Barnegat on 4/26/06 that, **“The three board members’ ethics are in doubt. Voters should closely watch their actions on the board and keep their last-minute tactics in mind when they’re up for re-election.”**

Incumbents Houser, Taylor, and Adorno had their chance and now everyone knows that we CANNOT afford another three years of their fiscal irresponsibility!
